Welcome

The 22 Wing Family Medical Clinic is located at the rear parking lot of the CF Medical Facility at 95 Manston Crescent.

To become a patient, you can register by calling the Family Medical Clinic Office Coordinator at 705-494-2011 ext 2149.

It is important to note that the Clinic will not accept patients that already have a family physician.

If you already have a family physician but would like to become a patient of the 22 Wing Family Medical Clinic, you must inform your family physician that you no longer wish to remain as a patient. You must then have that medical practice contact the 22 Wing Family Medical Clinic Office Coordinator to inform of the change.

The provision of medical services is currently available to all Regular Force Families, Class B Reservist Families, Class A Reservist Families and Civilian members of the DND Defence Team located in the North Bay geographical region.
